binary republik **Qualification: Final year/Passout: BCA, MCA, BE: CE/IT, M.Sc.IT** **binary republik**

Dear Students,

There is Internship and Job opportunity in Binary Republik - Ahmedabad for Microsoft Share Point, .Net Technology and Sales force Platform.

Company Introduction:

Binary Republik has been into business for 10+ years. We specialize in Enterprise Content Management – Intranets / Extranets, BI, Business Process Management and Mobility solutions using SharePoint, Office 365 Solutions, and other Microsoft Solutions in the Eco system.

Majority of our clients are based out of North America and includes large Fortune 500 Enterprises (including Microsoft!). We help them with their solutions - beginning with Strategic or Architecture Phase, right till the UAT and Roll Out!

Our Technology stack includes – ASP.NET, MVC, SharePoint, Office 365, BI tools like SSRS, SSIS and .NET CMSs like Umbraco, DNN, …

SharePoint, which is the most popular Portal technology, has been our strongest competency for the longest period and our SharePoint Consultants are highly sort after. IPL cricket league's intranet portal is built on SharePoint and it was executed by our team!

We are extremely quality conscious in terms of delivery standards and timelines and follow coding standards and best practices.
