JOB OFFER

**Announcement of Training + Job Offer in Sapphire Software Solutions,
Ahmedabad for the Multiple Positions**

For the students of SMT. B. K .Mehta IT Centre (BCA College)

Qualification: B.C.A, BE: CE/IT, PGDCA

Dear Students,

There is an offer for Training + Job Placement in Sapphire Software Solutions for the multiple positions for the candidates from Smt. B.K. Mehta IT Centre- BCA College 2020 passouts and students pursuing in final year.

Job Location: Ahmedabad

Company Profile:

Sapphire has been recruiting talented freshers from esteemed institutes like yours from the past many years. First of all we would like to thank you for the enormous support you have shown towards us, as always we have received an overwhelming response from your side. It appears to us that **your institute not only works on the theoretical knowledge of the students but you also make sure that they get an amazing initial platform to kick start a student's career that will be the future of India..**

Gujarat Government and even the **Government of India** is making innumerable efforts to improve the current situation of fresher's placement. Current IT industry is also being encouraged to **hire new fresh talents** to avoid increasing lack of employment in the near future **due to this COVID-19** Pandemic..

Sapphire Software Solutions has also taken a step forward to contribute in this direction. We have come up with an amazing platform for all the talented students, an opportunity to go for a "**Training plus Employment Programme**". The whole programme is designed in such a way that students not only get training with our experienced resources, they also get professional exposure to the ongoing trending technologies. Students even get to work on live International projects under the supervision of our Tech Savvy and experienced employees..

We have a lot of requirements when it comes to fresher candidates. Our organization is constantly trying to build the gap between the theoretical knowledge students are getting in their curriculum and the practical knowledge which is the current demand of the IT Industries. We are heartily inviting talents from your institute of **Batch 2020 and Batch 2021** (Last semester students) to participate in this programme..

Interested candidates are informed to apply for this job as per below application process.

Eligibility Criteria: BCA 2020 passout students and pursuing Final Year students
